

FRIENDS OF THE HISTORIC OREGON WATER TOWER

SOME OF OUR GREAT VOLUNTEERS WHO HELPED WITH THE LANDSCAPING PART OF THE PROJECT. THEY HELPED US MOVE 10 YARDS OF RIVER STONES.

WE ALSO CONTINUE TO RECEIVE GREAT COMMUNITY SUPPORT!

We Did It! - We Raised Over Half Of Our \$40,000 Goal - \$22,630

There continues to be reason to celebrate, we've raised over half our fundraising goal! In addition, the landscaping part of the project is complete thanks to groups like the Community of Life Church (top left). They helped finish putting down 10 yards of stones. We are also grateful to all the nurseries who donated the plants, and Moyer's, who donated the materials and labor for the edging around the beds. We are also pleased that groups like the RE/MAX Team/Pure Integrity Team (top right), donated

\$1,500 toward the restoration project. All donations are tax deductible, and checks should be made payable to: Preserve the Water Tower Water Fund, and sent to: Oregon Village Hall, 117 Spring Street, Oregon, WI 53575. We also have a new website and video available at www.oregonwatertower.com. Up-to-date information is located on our website. See upcoming events, our current fundraising total, a blog, current list of contributors, current news articles, membership forms, the landscape plan,

and more. For more information call Randy Glysck at (608) 291-0648, or email at: rgbk316@charter.net.
